Security

AE19 will maintain 24-hour-a-day security staff at the Convention Centre from the initial move-in period until 8:00 pm on move-out day. These guards will check to make sure that unauthorized persons are not wandering around the building.

Even with this protection, exhibitors are asked to take precautions in guarding their exhibits and personal belongings. Move-in and move-out hours are particularly sensitive times when thefts of small, easily carried items are more likely to occur (VCR’s, monitors, fire extinguishers, cellular phones). We suggest that you plan your staff schedule so that your exhibit is not left unattended during these times.
