## Aquaculture without Frontiers

- AwF is a global charity dedicated to the development of sustainable aquaculture for poverty alleviation by improving rural livelihoods.
- AwF devotes its resources to aquaculture, but it does not offer support in isolation, rather it interacts with many rural and coastal development organizations dedicated to alleviating extreme poverty and hunger.
- AwF currently draws on the experience of more than 260 respected volunteer aquaculture professionals from over 20 countries.
- AwF is unique in directing all of its charitable contributions to the poor. All AwF activities are carried out through the voluntary contributions of time by the Board of Directors and volunteers.

Wednesday  
March 3, 2010 at 7:30PM

In **San Diego**, California, USA, on the occasion of World Aquaculture 2010, join us for an evening to contribute to help humanity make progress towards Millennium Development Goal #1 – to eradicate extreme poverty and hunger – by supporting the charitable work of **Aquaculture without Frontiers (AwF)**

### Reception:

7:30 PM - cash bar for benefit of the AwF.

### Dinner:

8:30 PM onwards - dinner to be modest - one that the poor would have - rice or bread, fish, vegetable and water.

### Dinner sponsorship rates:

Diamond Sponsor - US\$ 2500 or above  
Gold sponsor - US\$ 1000  
Silver sponsor - US\$ 500  
Bronze sponsor - US\$ 250  
Entry Plate - US\$ 100  
Fasting sponsor - US\$ 50
