## Australasian Aquaculture 2010 International Conference and Trade Show

23–26 May 2010  
*Hotel Grand Chancellor  
Hobart, Tasmania, Australia*

Australasian Aquaculture 2010 is heading south to the picturesque state of Tasmania.

Some of aquaculture's finest products are produced in the waters of this clean, un-spoilt and pristine state. The 2010 event will be an opportunity to showcase the premium products on offer in Tasmania.

The Executive Committee of the 2010 event is dedicated to offering you more than ever before...a fresh focus, increased incentives, challenging presenters and an up to the minute theme, “keeping pace with change”; together with increased networking opportunities.

Further information will be distributed over the coming weeks; following this, the website will be updated with information regarding the 2010 event.

We look forward to seeing you in Hobart in 2010!

Roy Palmer  
Chair, Australasian Aquaculture 2010
